

Personal Safety™ Flashlight

Money Saving and Earth-Friendly

Features:

- Smart Circuit Freedom Technology**
 Electronic, instant full power On/Off at any time. Full-range brightness control allows you to dim or brighten whenever needed and extends battery life.
- 5 Safety Modes:**
 Slow, medium, fast strobe modes, SOS & Morse code.
- Rechargeable Lithium Ion Battery**
 Sealed inside unit.
- Quick Release Ring**
 Attaches reliably to gear.
- Water Resistant**
 For all types of weather.
- Ultra-Tough Case**
 Virtually indestructible polycarbonate case.
- Interactive Packaging**
 Allows consumer to test On/Off and full range brightness control. (Packaged lights are in Demo mode. The unit will turn itself off maintaining maximum battery power.)
- Inexpensive to operate**
 Your average cost is 6 cents per charge when using an alkaline "D" cell battery. When using a AA NiMH your cost is only 1/3rd of a penny per charge!
 - Charging times and costs are based on LRI test results. Your personal experience may vary.
- We Take Quality Seriously**
 If your Photon fails for any reason other than abuse or battery expiration, return it for free repair or replacement.

Retail Package
8.25"H x 3.75"W x .5"D
